

#YoungLondonersFund

The Mayor's Young Londoners Fund will help children and young people to fulfil their potential. It will support a range of education, sport, cultural and other activities for children and young people.

We are one of the second group of projects to receive the Young Londoners Fund. The projects that have received this funding include everything from theatre groups and employability training, to football clubs and art sessions.

Our project is called **BackOnTrack!**

The project will support young people attending The Mayesbrooke Park School in Barking and Dagenham. Steered by our very own youth board comprising of young people attending the school, BackOnTrack will take young people on a journey like no other. Watch out for our press releases to stay up to date with our journey!
