<p><b>Activity 1</b>  <b>Environmental Challenge</b>          Create a recycling plan for your family to use in your home. Find out what your local council policy is for recycling and help your family recycle waste on a weekly basis.          You could introduce colour coded waste collection, or help your family realise why recycling is important to the environment.</p>	<p><b>Activity 2</b>  <b>Cooking Challenge</b>          If you were in the junior bake off what would your 'show stopper' be? Search online with your family, or use a family cookbook to source a cake recipe. Prepare a shopping list, help buy the ingredients and make the cake. Try and weigh the ingredients out yourself and get help with the oven!</p>	<p><b>Activity 3</b>  <b>Create a Spring poem, think about the changing seasons, what do you love about Spring?</b>          You could write about the changing colour of the leaves, the blossom or even about the changes you notice with animals.</p>
