EnterSchoolMind Erasmus +

DEVELOPING THE ENTREPRENEURIAL MINDSET OF
PRIMARY PUPILS

PRESS RELEASE

EnterSchoolMind is a 3 year Erasmus+ project designed to promote the importance of developing an entrepreneurial mind-set in primary school pupils. Having an entrepreneurial mindset develops key competences to take responsibility for one's own life, start initiatives that create value to society and can help you succeed in any career.

As part of the project, we developed and pilot tested classroom resources for pupils, and teacher training to improve teachers understanding of this field. As the project came to an end, we held an event on October 21st 2021 for professionals working in the field of primary education. To share our key findings and resources, and provided tips for promoting an entrepreneurial mind-set in primary age pupils.
